

1.5HP inverter energy-saving fast cooling and heating on-hook air conditioner

Our Product Introduction

for more products please visit us on ladyshairextensions.com

Basic Information

- Place of Origin: china
- Brand Name: Haier
- Certification: CCC
- Model Number: KFR-35GW
- Minimum Order Quantity: 100
- Price: Negotiable
- Packaging Details: 付款方式
- Delivery Time: 供 能力
- Payment Terms: 期限
- Supply Ability: 常 包装

Product Specification

- Color: White
- Internal Machine Weight: 10kg
- Outer Machine Weight: 30kg
- Internal Machine Size: 865×190×300mm
- Outside Machine Size: 860×345×550mm
- The Refrigerant: New Refrigerant R32

Product Description

1.5HP Inverter Energy-Saving Fast Cooling And Heating On-Hook Air Conditioner

Our product

Smart sleep, enjoy a good night's sleep. The 8-dimensional sleep escort system uses technology to change sleep problems. It creates an ideal bedroom environment through the eight dimensions of light, temperature, quiet, fineness, cleanliness, speed, wind, and intelligence. It can also realize WIFI remote control to make sleep healthier and smarter. More comfortable. Using high-efficiency mute technology, indoor and outdoor units use variable frequency motors, 45μm focus positioning system, effective air conditioning, from reducing noise sources, creating a comfortable and quiet environment. Adopting a new generation of PKC double-speed upscaling technology, the upscaling rate is increased by 3 times, and the compressor operates like a car on a highway, with fast acceleration, fast cooling, and instant cooling. In terms of energy saving, the adoption of a new level of energy efficiency, green energy saving can be started, and is better than China's new level of energy efficiency standards, with an energy efficiency ratio of 5.28, which is 31% less electricity than the third level of energy efficiency. Equipped with smart WIFI, comfortable to control anytime, anywhere.

Air conditioner type	Wall-mounted air conditioner
Type of heating and cooling	Warm and cold
Number of horses	1.5 horses
Electric auxiliary heating	support
Cooling capacity	3500w
Cooling power	810w
Heating capacity	5000w
Heating power	1235w
Circulating air volume	700 m³
Indoor unit noise	37-41 dB
Outdoor unit noise	51dB
Voltage	220v
