Company Profile

company was established in 2008, located in DongGuan China, export inflatables all around world. Factory area is 4000 m² , has 54 workers now.

Our main advantages are strict quality control, full supply chain service, on time delivery, competitive price.

Many happy customers keep coming back to us and some have cooperated with us for ten years.

Attending the IAAPA expo almost every year since two thousand and ten.

With professional design team, 3 of them have 10 years experience.

Using quality pvc tarpaulin materials from Plato, which is waterproof, flame retardant , UV resistant, lead free.

Reinforced Oxford cloth material is more durable than 640 D Oxford cloth.

With 2 automatic cutting machines.

Do high definition digital printing and silk printing.

With 26 sewing machines. We make double or quadruple stitching on the products.

Also can produce hot welding sealed inflatables.

Inspecting every product before packing.

Ace inflatables Ltd is the only factory in China has 2 inspectors of EN-14960. Can test and issue EN-14960 certificate.

Also can supply PIPA tag and inspection report.

We use two inch quality nylon straps and D rings to pack inflatables.

Ace inflatables, your best supplier, welcome to inquiry any inflatables.
