Applications:

Reliable short human hair wigs offer an easy and convenient way to change your look. These wigs are made from top quality short human hair from China, which is soft and silky to the touch. These wigs come with baby hair around the perimeter and bleached knots to make the wigs look natural. The lace front construction gives a natural look to the hairline, making the wigs look even more realistic. These wigs are perfect for those who want to switch up their look without having to commit to a full-time hair style.
