#### Tips for hair-caring:

These tips can help you keep peruvian hair looking fabulous and lasting longer.

1. Prior to the installation of your hair extensions, for extra protection of your weft, we recommend you seal your weft! It will eliminate shedding and add longevity to your investment.
2. To prevent tangling problem, do not use some sticky hair oil.
3. If you swim a lot, I recommend you wear a swim cap. Because the hair will be damaged by Chlorine water in the pool.
4. It's necessary to co-wash the hair after coming back from club or party.

#### Daily Maintenance:

1. Use styling products minimally to avoid build up.
  2. For Wavy & Curly hair use a spray bottle of water for natural look.
  3. For a "WET"look, we suggest a leave in conditioner & water.
  4. AVOID ALCOHOL BASED PRODUCTS TO AVOID DRYING OUT YOUR INVESTMENT!
  5. Dampen hair with a water bottle.
  6. Comb through (wide tooth comb) beginning at the ends and working your way up to your scalp.
  7. Scrunch up hair gently to reform curls.
  8. Let hair air-dry.
  9. Style as desired.
- Peruvian hair with baby hair will not shed if you can care it well everyday, it will last for at least a year.

#### FAQ:

##### Q1: How to distinguish human hair with synthetic hair?

- A) Burning and smell: Human hair will be ash and smell foul, when burning, the human hair will show white smoke. While synthetic hair will be a sticky ball after burning and will show black smoke.
- B) Human hair feels like kind of cool feeling.
- C) Moreover, human hair may have very few gray hairs and split ends. It is normal and not a quality problem.

**Q2: Why the colors of hair extensions don't seem exactly as the pictures show or description says?**

A) Different monitors have different displays. The same color number may have a little color difference.

B) Different angles, different light could affect the pictures.

**Q3: Can they be straightened, curled?**

Yes, you could use hair straightener or hair curler to style it. However, don't do it too frequently, or the heat will make the hair easily get dry and tangled.

**Q4: Can I bathe, shower, swim, go out in the wind and rain, and play sports with my new extensions?**

Your new hair will look as fabulous wet as real hair does, and the extension will not show in water. You can wash and style your extensions exactly as you would your own hair (do be a little gentler). Extensive water exposure will loosen bonding though-so dry carefully after. If you swim a lot, I recommend you wear a swim cap.

**Q5: If I order today, how long it takes for the shipment?**

We will ship the goods right away after payment arrives. Arrival time according to the place you are in. Take USA for example, it takes roughly 2-3 days after payment arrives.
